

Advocate for the Homeless on the New York State Budget

We have momentum on the advocacy efforts and need YOUR help in making heard the voice of those too often ignored. Although we are not in Albany we can let them know that our funding must be restored. Below please find a list of the key Senators and Assembly people who will lead the negotiations.

Please call or fax the legislators below and remind that homeless people and programs change lives.

Urge the legislators below to include the following on the final State Budget Bill:

- **Restore \$35 Million to Save and Improve upon the Advantage Program Housing Subsidy Program**
- **Restore \$15.7 Million for Adult Homeless Shelters**
- **Preserve Homeless Medicaid Managed care exemption**
- **Preserve funding for Runaway and Sexually Exploited Youth**
